Fire dept. chief Josh Kennedy speaks about the benefits of the 2016 sales tax increase. The department was able to increase their staff and response time. May 4th voting will have an option for another 1%. Josh says that the dept. could use that money to build a new fire station and update equipment.

April 13th, there will be an open forum for 4-6 at the fire station.

April 14th, Easter egg hunt @ 1, and crawfish boil @ 2.

Cameras have been ordered

BBQ cook off tentatively scheduled for May.

Andrew Dubois from precinct 3 speaks. They are requiring a hydraulic analysis from the builders of the strip center. The builders will be required to demonstrate no adverse impacts.

The county hasn't received money for buyouts as of yet. Go to www.mctxoem.org to request buyout.

Buyouts will be voluntary.

Darren Hess is seeking hazard mitigation funds that would go towards buyouts.

Please call the constables office 936-760-5800 to report illegal dumping and junk cars.
There will be repaving of the following streets: Gresak, Barwood, Pine Canyon, Chaparral Way, Olde Lantern, Spring Creek (Roaming Woods-Bristlecone), Timberlakes (Dawnwood-Roaring Creek).

Contact county to request work order for ditches (291)367-3977

The Woodlands drainage task force is on Phase 1, which is trying to find land available upstream for a system of detention ponds or one large reservoir.

Meeting adjourned at 8:45
